

FY2020 ICD-10 Codes Installation Guide

Installing FY2020 ICD-10 Code Updates to the CS WinOMS Software

This job aid contains instructions for updating the CS WinOMS software with the International Classification of Diseases, Tenth Revision, Clinical Modification (ICD-10 CM) diagnosis code set additions for Fiscal Year 2020, using the Update Utility.

NOTE: The updated code set will be included in WinOMS, version 9.6. The utility is not needed once you install the 9.6 version of WinOMS.

To use this utility, you must:

- Be using WinOMS, version 8.11 or higher.
- Download and run this utility on a server computer.
- Have Administrator security permissions to install this update.

To download and run the ICD-10 Update Utility:

- 1 Close CS WinOMS on all machines.
- 2 On the server computer, go to <https://www.carestreamdental.com/en-us/training-resources/ICD-10-Information>.
- 3 Click the link for CS WinOMS Users. The **Save As** window is displayed, prompting you to save the **icd10.zip file**.
- 4 Select a temporary folder and click **Save**.
- 5 Navigate to the temporary folder and unzip the file.
- 6 Double-click the **icd10updateinstall.exe** file to run the utility. The **ICD-10 Code Update Utility Setup Wizard** is displayed.
- 7 Click **Next**. The **Select Destination Location** window is displayed. The server location should be populated, but if not, click **Browse** and select c:\WinOMSCS.
- 8 Click **Next**. The **Ready to Install** window is displayed.
- 9 Click **Install**. The utility is installed, and you are prompted for login credentials.
- 10 Enter your WinOMS user ID and password, and then click **OK**. The **ICD-10 Code Update Utility FY2020** utility begins processing the code changes.

When the status reads **Process Complete**, ICD-10 codes have been updated. The utility displays a list of ICD-10 codes that have been added and revised.

NOTE: Output data will vary depending on ICD-10 Codes that were added to the DX Table.

To confirm ICD-10 utility has executed the update:

Navigate to **c:\winomscs** and open the file: **ICD10utility.log**.

If you have issues during the installation, contact a Carestream Dental Support representative at 800.275.4637.
