Complimentary Training

Access a full catalog of learning modules and online classes in the Carestream Dental Institute (CDI). It's all free with your Support contract!

Simply log in to your account to obtain a customized learning plan based on your Carestream Dental purchases. You can also search for a particular topic or product. Either way, you are sure to find the topic you need to maximize your skills and performance in the CDI.

Don't have a CDI account? No problem! For access to the CDI, complete our Registration Form at <https://www.carestreamdental.com/en-us/about/contact-us/>. We'll email you with your login information within two business days, so keep an eye on your inbox! After that, simply log in and learn!

Webinars

Take advantage of our free live and recorded webinars to learn everything you need to know about your Carestream Dental products.

To see what's available, visit our website at [Webinars](#).

Remote Training

We offer customized remote training using Microsoft Teams, a web-hosted online classroom. You will connect with one of our Carestream Dental trainers, sharing your desktop for live, hands-on training. Remote training sessions are available for all of our products, recorded and available to download to review playbacks.
